

# Copenhaver Neighbors

# **VOTE NO**

## **on Proposed Amendments 3 and 4**

to Copenhaver HOA Covenants  
(partial home rentals - not short-term)

- Restricting your right to rent part of your home unnecessarily invades homeowners' private use and enjoyment of your property, for no valid reason
- Allowing you to rent part of your home is no more of a threat to the quality of the neighborhood than allowing whole-house rentals, and is likely less so, because you remain on the property with the renter
- The proposed restrictions are overbroad and rely on unfettered HOA Board discretion for enforcement

## **Keep the HOA out of our homes!**
